The diagram illustrates safety and disposal instructions. On the left, a warning triangle shows a lightning bolt and the text '230V' and '0V'. Next to it is a hand icon touching a rectangular box. To the right, a battery is shown being inserted into a device with '+' and '-' polarity markings. Below this, a recycling symbol is shown with a battery being placed into it. On the far right, two more devices are shown with batteries being inserted. A recycling symbol is shown next to a factory icon, with the text '2012/19/UE' below it.
